The City is under no obligation to respond to requests which are not focused or specific. The City may withhold documents which are exempt from disclosure under state or federal law, including the attorney—client privilege or any other applicable privilege. The City, in accordance with Government Code Section 6253(b), has ten (10) days to respond to any request for public documents by indicating whether or not the documents exist and will be made available. Record or Document Requested:

To assist the City with your request, please identify each requested record/document separately. Please be as specific as possible. Non specific inquiries may cause responses to be delayed or may prove to be burdensome and therefore the City may not be able to respond. (Additional sheets may be used) Submit all requests to the City Clerk's Office. The city issued a residential event permit under HBMC Sec 9.28.020, which allows for an event on private property. The permit number is F2992786 issued to Richard Murphv at 38 7th St in Hermosa Beach. The event occured on the walkstreet not on private property and the permittee restricted public access to the walkstreet by posting security guards at the two ends of the walkstreet. This event occured directly in front of my house, restricted access to my home, and forced me to leave. I would like to request a copy of the Residential Event Application and all supporting documents that were reviewed in issuing this permit.

Photocopies are \$0.10 per page (Mailing fee, if applicable is \$3.00 plus postage). Fees must be paid before records are released.

I agree to pay all applicable fees and charges per the City Council Resolution of Fees for any copies I request of the above mentioned document. *Accepted method of payment:* Cash or check. Credit card accepted in person only.
